## Vitamins to VEGA !

29th AUG, 2023

01

### Vitamin

On August 28, Jiangxi Tianxin Pharmaceutical resumed the quotation of vitamin B6 feed grade, and raised the quotation to USD18/KG. Before this quote, Tianxin Pharmaceutical's vitamin B6 had been in a state of suspension.

02

### Amino Acids

Valine, the quotations of Chinese domestic manufacturers have risen to USD2.6/KG, and some manufacturers have slightly higher quotations, market inquiries also have increased. The quotation in the trade market is around USD2.55/KG.

The factory delivery is a little tight, and the domestic order signing is active, need to pay attention to the factory order and delivery situation in the later stage.

03

### API

The market is running weakly, the price is low and stable. sulfadiazine (sodium), the market price is within USD23/KG, sulfamethazine (sodium), the market price is within USD11/KG. It is temporarily stable in the short term, and the market demand and signing situation in the later stage are worthwhile focus on.

04

### Food Additive I Acesulfate

A few days ago, when Xianle Health was being investigated by the organization, when asked whether the discharge of Japanese nuclear wastewater into the sea would affect fish oil or other related raw materials, the company representative pointed out that the main production areas of fish oil are in South America, near Peru and Chile the sea area.
