### Vitamins to VEGA!

Vega, China Vitamins Manufacturer

#### News

##### 1 Vitamin | Biotin

Affected by market demand, the price of biotin pure products continues to be low, the delivery time of various manufacturers is normal, and the export transaction price of domestic mainstream manufacturers is about 150-160 US dollars /KG.

##### 2 Amino Acids | Methionine

At present, domestic manufacturers are mostly stopping to sign, delivery of old orders, the trade market quotation is about USD2.46/KG, the overall market is active, the factory delivery is tight, the price is strong, and the factory orders and delivery are concerned in the later stage.

##### 3 API | Oxytetracycline

Oxytetracycline, oxytetracycline hydrochloride, weak downstream market demand, factory prices continued to fall in the first half of the year. Oxytetracycline, the current market price is around USD8.5-8.9/KG, currently in the stage of inventory consumption; Oxytetracycline hydrochloride, the market price is USD10.5-11/KG, the recent market price is low and stable, and the follow-up needs to continue to pay attention to raw materials and market changes.

##### 4 Food Additives | Potassium sorbate

Affected by market demand and raw material costs, the price of potassium sorbate has been increased, and the transaction price in the export market is about 2.2-2.4 US dollars /KG. Subsequent price stabilization, will continue to pay attention to the market.
