## VEGA DAILY

### Vitamins to VEGA!

Vega, China Vitamins Manufacturer

#### News

##### 1 Vitamin | Vitamin B5

According to market news, since October 11, Tianxin pharmaceutical stopped feed-grade vitamin B6 quotation.

##### 2 Amino Acids | Threonine

At present, the Chinese domestic factory is quoting strongly, and the trade market quotation is at around USD1550/MT. The current terminal demand is weak, the end users are mainly buying according to the use quantity, and pays attention to the later delivery situation of the manufacturer.

##### 3 API | Florfenicol

Florfenicol, after the holiday, price to maintain at stable trend, the recent market transaction situation has improved compared with before.

At present, the market price is USD29/KG, and still need to follow the market demand and factory production situation.

##### 4 Food Additives | Sucralose

Recently, affected by market demand, the price of food sweetener sucralose has fallen, and the transaction price in Chinese domestic market has stabilized to USD17.5/KG. In the future, the price should not change much in the short term as the market inventory is sufficient. Will continue to pay attention to market changes.
