### Vitamins to VEGA!

Vega, China Vitamins Manufacturer

#### News

##### 1 Vitamin |

Recently, New Tuoyang's new products "Inositol, Vitamin K2, D-Mannitol, Sodium Gluconate" obtained the food production license. Certificate issuance date: October 23, 2023, valid until: November 16, 2026.

##### 2 Amino Acids | Methionine

Currently, some solid methionine manufacturers are offering at USD 2.7-2.85/KG, and the delivery time is quite tight. The overall market inquiries and transactions are increasing. It is expected that the price of methionine will be slightly stronger in near future. The factory's delivery progress need to be paid attention to .

##### 3 API | Oxytetracycline

The recent market demand for oxytetracycline and oxytetracycline hydrochloride has been average, and factory prices have remained low and stable. The current market price of oxytetracycline is around USD8.9-9.5/KG; the market price of oxytetracycline hydrochloride is around USD10.9-11.5/KG. We will continue to pay attention to factory quotation adjustments and changes in market demand.

##### 4 Food Additives | Creatine Monohydrate

Recently, some mainstream manufacturers of the nutritional additive creatine monohydrate have stopped reporting due to saturation with orders this year. The current transaction price in market is around USD9.2/KG. The price is expected to continue to rise in the future.
