VITAMIN

01

On November 24, Anhui Xinhong Pharmaceutical Co., Ltd. updated its folic acid quotation to USD 60/KG. standards and have completed third-party efficacy and safety evaluations.

AMINO ACID

02

The Zhundong Economic and Technological Development Zone in Xinjiang held a progress meeting for its major coal-to-olefin projects, emphasizing the acceleration of preliminary procedures and design work for the 450,000-ton methionine project to ensure construction starts as scheduled in April 2026. The project is fully owned by Shanghai East Hope Chemical Holding Co., Ltd. through its subsidiary Xinjiang Dongming Plastics Co., Ltd.

API

03

- On November 24, Zhejiang NHU Co., Ltd. announced that its production lines for perfluorohexyl octane (45 tons/year) and perfluorobutyl pentane (15 tons/year) are now operational. Both are key APIs for dry-eye treatments and have obtained regulatory approval.
- Tylosin tartrate and tilmicosin phosphate producers continued to hold prices firm this week. As the year-end approaches, the market remains focused on digesting existing inventories, and most deals are negotiated case-by-case. Current market indications show tylosin tartrate around USD 36.8/kg and Tilmicosin phosphate around USD 41.2/kg.

FOOD ADDITIVE

04

Health and Happiness (H&H) International Holdings released its unaudited operational data for the first nine months of 2025, reporting a 12.3% year-on-year revenue increase to USD 1.523 billion. All three core business units—adult nutrition, infant nutrition, and pet nutrition—achieved growth. Driven by strong performance in China and expansion markets, Swisse's adult nutrition segment recorded USD 738.03 million in revenue, up 6.0% year-on-year. The China market grew 15.7% and accounted for 70.6% of Swisse's ANC revenue. Nutritional supplements contributed 64.5% of total group revenue.
