VITAMIN

01

On April 14, market sources reported that ZMC has suspended domestic quotations and order intake for feed-grade Vitamin A and Vitamin E, which may impact its export pricing.

AMINO ACID

02

On April 14, Zhejiang Biok Biotechnology Co., Ltd quoted USD 2.2/kg for 40% tryptophan. Transaction prices for 98% tryptophan remained stable at USD 4.7-4.82/kg. Shipment schedules are tight, keeping market prices at elevated levels.

API

03

Heilongjiang Yiheng Biotechnology's enzyme production project is nearing completion, with a total investment of USD 76.25 million. Phase I includes a 10,000-ton production line, with trial operation expected in mid-May. The project will produce cellulase, amylase, protease and other enzyme products.

FOOD ADDITIVE

04

Inner Mongolia Scitop Biotechnology has recently launched its probiotic smart factory in Hohhot, with a total investment of approximately USD 586.51 million, making it one of the largest probiotic production bases in Asia. The facility integrates R&D and manufacturing, focusing on food-grade probiotics and microecological products to support domestic substitution of high-end probiotic ingredients.
