VITAMIN

01

The Vitamin B1 market remained weak but stable this month. Major producers continued to maintain firm quotations, while deliveries remained tight. However, overall demand stayed moderate, keeping supply and demand relatively balanced. Channel prices have remained stable recently. Current market quotations are around USD 30.40/KG for Vitamin B1 Nitrate and USD 37.00/KG for Vitamin B1 HCl.

AMINO ACID

02

Daesang (Beijing) Food Group Co., Ltd. Harbin Branch updated its quotation for Elephant SEWON brand Arginine at USD 2.70/KG.

API

03

- Taizhou Dachen Pharmaceutical Co., Ltd. recently announced the environmental impact assessment of its 50 MT/year Aloe-emodin and 30 MT/year Diacerein production project. The project involves an investment of approximately USD 12.61 million and will be constructed within the existing production site.
- Upon reaching full production capacity, the project is expected to generate annual sales revenue of approximately USD 17.80 million and total taxes and profits of around USD 4.45 million, providing strong economic potential.

FOOD ADDITIVE

04

- Recently, Hangzhou Minsheng Healthcare Co., Ltd. announced that the company and its subsidiaries had received three invention patent certificates from the China National Intellectual Property Administration.
- The patents cover a Choline Bitartrate solid dispersion preparation technology, Limosilactobacillus reuteri applications for alleviating perimenopausal syndrome, and Lacticaseibacillus rhamnosus JYLR-219 applications for osteoporosis prevention, reflecting continued innovation in nutritional ingredients and functional health products.
